

Executive Board

President: George Tsioulis, MD, PhD – Lenox Hill Hospital, New York, USA

President-elect: Konstantinos Drosatos, MSc, PhD – Columbia University, USA

Vice President: Peter Karayiannis, BSc, PhD, FIBMS, FRCPath – Imperial College, UK

Vice president: E. Lila Amiralj, MD – McGill University Health Centre, Canada

Secretary: Dimitrios Paschos, MD, MRCPsych – NHS Islington, London, UK

Deputy secretary: Zois Vrettos, MD – Germany

Treasurer: Spyros E. Mezitis, MD, PhD – Weill Cornell Medical College, USA

Advisory Board

Chairman

George D. Dangas, M.D., Ph.D
Mount Sinai School of Medicine,
USA

**George Louis Bakris, M.D., Hon.
D., F.A.H.A., F.A.S.N**
University of Chicago Pritzker
School of Medicine, USA

Argiris Efstratiadis, M.D., Ph.D
Biomedical Research
Foundation, Academy of
Athens, Greece

Fotis C. Kafatos, PhD, FoMeRS
Imperia College, London, UK

**Theodoros Mountokalakis,
M.D., Ph.D.**
University of Athens, Greece

Ari Patrinos, Ph.D
Synthetic Genomics, Inc, USA

**George Paxinos, Ph.D., AO FFA
FASSA**
Prince of Wales Medical
Research Institute & The
University of New South Wales,
Australia

P. Roy Vagelos, M.D.
Regeneron Pharma. Inc. USA

Secretary

Olga Sarantopoulou, MD
Hellenic Medical Society of
Austria

Past presidents

Gabriel Panayi ScD, MD, FRCP
King's College London, UK

Constantine Soldatos, MD
University of Athens, Greece

Paul Kymissis, MD, FAPA
New York Medical College, USA

Nicandros Bouras, M.D., Ph.D.
King's College London, UK

PRESS RELEASE – 1st WHBA SUMMER SCHOOL

The World Hellenic Biomedical Association announces the organization of the 1st Summer School in Medical & Biosciences Research and Management, which will take place in Greece on May 20-30, 2012. Undergraduate and graduate students from universities in Greece and abroad are invited to submit applications.

The aim of this educational activity is to expose prominent graduate and undergraduate students of medical and biosciences background to knowledge given by top-notch experts from the most advanced medical and biosciences research centers from the USA, Canada, the UK, Switzerland and Greece, as well as from the Pharmaceutical and Biotechnology industry.

The program is divided in two parts. The 1st part will take place in the beautiful scenery of Itilo in Mani, Peloponnese from May 20 to May 26, 2012. For this part 10 instructors and 2 plenary speakers of worldwide reputation will present the most recent breakthroughs and current trends in several topics of basic and clinical medical research. The students will then be transferred to Athens, where they will attend lectures about drug development and successful placement of a new drug in the market. Moreover, the schedule includes visits of the students to the Biomedical Research Foundation of the Academy of Athens, the Standing Committee on Cultural and Educational Affairs of the Parliament of Greece and the Ministry of Education, Lifelong Learning and Religious Affairs.

Hotel expenses will be covered for 24 selected students based on their academic record and performance, thanks to generous donations by "Omogeneis" of Lakonian origin or descent who intend to provide any possible support to their homeland.

The deadline for submission of applications is January 20, 2012. Detailed information is available at www.whba1990.org

Sincerely

Konstantinos Drosatos, MSc, PhD
